Beehive now in the Triangle Neighborhood!

The city of St. Louis Park approved the move of the Beehive previously located at Hwy 100 & Minnetonka Blvd to the SLP Roadside Park located at Hwy 100 & 7 next to NordicWare. In mid-September, Otting Movers dug up the structure and relocated it to its new home where it is in the ground and secured for the winter. The Beehive was originally used for Barbequing.

At the park, picnic tables and other stone structures at Roadside Park were cleaned, pieced together, restored and placed on new pads. Pads were also made for bike racks and a portable toilet will be installed in the spring. Roadside Park is in the process of becoming one of six original wayside parks built in 1939 along with Highway 100 and has been maintained previously voluntarily by NordicWare. The only other existing park is in Robbinsdale.

Thanks go to many people who helped to make this possible and to preserve the Beehive. Donations are still being accepted by the Historical Society to go towards the restoration of the Beehive next spring. If you would like to donate, send your check to the Historical Society at 3700 Monterey Drive, SLP 55416. Pictures of the move and links to media coverage, can be seen on the Historical Society's web site at www.slphistory.org

Triangle Neighborhood Updates

- ❖ **Snow Removal** - Please remember to shovel your sidewalks for your safety, friends, family and neighbors. It is a city ordinance. Also, when snowfall exceeds 3 inches, there is NO on-street parking – day or night – until the street has been plowed to the curb. Once the street has been plowed parking is allowed. If you are unsure whether parking restrictions are in effect on any particular day, call the Winter Parking hotline at (952) 924-2180
- ❖ **Reminder** that St. Louis Park is now working with Eureka Recycling for our recycling needs. If you are unsure of what or how things should be set out, contact the recycling hotline at (651) 222-7678 or www.eurekarecycling.org. Pick up day is Monday and items should be out by 7am.

We Need Your Help

Every year the committee meets to discuss projects and needs of our neighborhood and while we work with a very limited budget we try to help and preserve our neighborhood. We are looking for your idea's to share with us. The committee will meet again in January to discuss which projects we feel we are able to do and vote on them. Please send us your idea's to info@slptriangle.org we would like to hear your thoughts.

Coupons.....

In an effort to go-green and conserve on paper, all coupons will now be available on-line at our website at www.slptriangle.org “click on” newsletters. We will list the businesses here to show who has participated.
